OUR SUPPORTERS

Hope for
Children

Maranatha Trust is a non-profit organization registered in the state of NSW, Australia. Its philosophy is that all people through God's grace are equally and uniquely created. It affirms that each individual has the potential and responsibility to be incredibly productive when given encouragement, resources and biblical compass. When people are empowered, they exercise the inherent gifts and talents God purposed for them and will impact and transform their communities. MT is engaged in a broad scope of wholistic development ministries including anti-human trafficking, education, leadership training, community building, health, sanitation and economic development.

SUPPORTERS

INTERNATIONAL

Hope for Children believes in strong communities and bright futures. It supports VF's Center of Hope Safe House, protecting and empowering human trafficking survivors and vulnerable girls through psychosocial interventions, healing and economic empowerment activities.

FREEDOM FOR ALL

Freedom for All has harnessed the power of the private sector in ending human trafficking and modern slavery through business solutions that reduce slavery footprints in the supply chain. It is one of VF's long-standing partners, supporting various initiatives and programs of the organization.

THE
GREENBAUM
FOUNDATION

"Being A Bystander To Suffering Is Not An Option"

The Greenbaum Foundation goes where it is most needed, guided by its philosophy, "Being a Bystander to Suffering is Not an Option". The Foundation has provided much needed support for VF in protecting at-risk persons and transforming the lives of survivors.

THOMSON REUTERS
FOUNDATION

SUPPORTERS

INTERNATIONAL

Thomson Reuters Foundation has been a force behind VF's research and policy initiatives. This year, it has connected VF to top global law firms in support of VF's agenda for the protection of deep sea fisherfolk, and other firms like global banking companies in support of VF's other programs.

skoll
FOUNDATION

The Skoll Foundation has been one of VF's strongest supporters through the years. It is a fountain of knowledge and inspiration as a community of social entrepreneurs. Skoll has driven many of VF's successful models for large-scale social impact, and continues to support VF's interventions.

The Macquarie Group Foundation is the philanthropic arm of Macquarie Group and provides support to hundreds of community organisations globally each year through financial support, volunteering and skills sharing. In Asia, the Foundation has recently funded a regionally focused project around modern slavery, to support efforts in making a significant and long-term impact on preventing and responding to the issue.

SUPPORTERS

INTERNATIONAL

UNICEF Philippines has been one of VF's long-time partners. More recently, UNICEF Philippines has partnered with VF in scaling the efforts and success of the iFIGHT Movement, particularly in the area of advocacy on ending online child sexual exploitation.

Canva is an online graphic design platform (and company) that provides a wide array of easy-to-use tools and designs for creating web media content. An innovation on its own, Canva believes in doing good, and thus has its own programs for serving and supporting non-profits like VF.

Reach for Change and the Sophie Stenbeck Foundation has recognized and cited VF's work in protecting and promoting children's rights. In 2015, they named Cecilia one of the Child10 Awardees. Know more about Reach for Change

Kingdom of the Netherlands

The Embassy of the Kingdom of The Netherlands in Manila is a leading government institution combating human trafficking and modern slavery. The Embassy is helping VF scale efforts and successes of the iFIGHT Movement, believing that the youth has the power to put an end to human trafficking.

WALK FREE.ORG

SUPPORTERS
INTERNATIONAL

Walk Free is a global movement to end modern slavery. It is VF's partner for the 3 campaigns that VF has been working on. These are 1. For the suspension of Erring Recruitment Agencies, 2. For safer shelters for OFWs in distress, and 3. For the protection of the rights of deep sea fisherfolk.

The Cordes Foundation supports VF's innovations to empower women and girls. Cordes believes in social entrepreneurship the significance of elevating women and girls in society via education, health care, human rights advocacy and self-employment opportunities.

VOICES4FREEDOM.ORG

Voices4Freedom has provided much-needed support for VF's efforts to transform the lives of survivors. V4F uses education, media and entertainment to raise awareness about slavery. It partners with frontliners like VF and supports interventions that effect systemic change.

LIBERTY ASIA

Liberty Asia is a non-profit that seeks to prevent human trafficking through legal advocacy, technological interventions, and strategic collaborations with NGOs, corporations, and financial institutions in Southeast Asia. They are helping us enhance our case management system to securely store and analyze relevant data from our shelters.

SUPPORTERS

INTERNATIONAL

The World Children's Prize is an international effort that seeks to improve the lives of children everywhere. Working in over 110 countries across the world, WCP educates and empowers children about their rights and democracy. VF is WCP's partner in the Philippines in protecting and promoting children's rights

VF's partnership with the **Global March** spans more than a decade. Today, VF works with Global March on the integration of the Sustainable Development Goals in interventions to end child trafficking and hazardous child labor. The Global March is a worldwide network of efforts for the promotion of children's rights.

88 Bikes has been one of VF's staunch supporters for years, especially in providing educational assistance to survivors of human trafficking and those who are at-risk of being victimized. 88bikes believes strongly in the power of one-to-one philanthropy, where every stakeholder is an active participant.

The Inter-Agency Council Against Trafficking (IACAT) is the high-level government body tasked to develop and implement the country's anti-trafficking strategic action plan, and coordinate all initiatives to address trafficking in persons. VF is a member of the council, as appointed by the President of the Republic of the Philippines, representing the women's sector.

The Presidential Task Force Against Illegal Recruitment (PTFAIR) is the Philippine government's inter-agency body tasked to coordinate all programs, policies, and initiatives of government concerning illegal recruitment. VF is a member of the Task Force.

SUPPORTERS

LOCAL

SUPPORTERS

GOVERNMENT

The **1343 Actionline** is the government's anti-trafficking hotline. It is operated by the Commission on Filipinos Overseas (CFO). CFO also serves as Chair of the IACAT-Advocacy and Communications Group. CFO and the 1343 Actionline helps VF provide protective information to persons at risk of being trafficked in highly vulnerable areas.

SUPPORTERS

LOCAL

The Integrated Bar of the Philippines (IBP) is the Philippine's national organization of Lawyers. It has been a long-time partner of VF. IBP is currently helping VF through a legal audit of the anti-trafficking cases filed by survivors that VF assists.

The Wholistic Transformation Resource Center Foundation, Inc. (WTRC) has been VF's champion for years. Believing in VF's work, WTRC has been helping VF deliver wholistic interventions and scale strategies to address human trafficking and modern slavery. It has been linking VF with critical partners and supporters all over the world.

SUPPORTERS

PRIVATE

The Manila North Harbour Port, Inc. is a private port management company providing cargo and passenger handling services. It is one of VF's strongest private sector partners, helping enhance port-based strategies including proactive victim identification and rescue, and the Halfway House program. In 2015, MNHPI built VF a new Halfway House to operate.
